A Five-day star trip in Northern Israel

Route characteristics:

A five-day star trip is an easy and nice route that combines daily trips to breathtaking views on the one hand, and on the other hand, a certain lightness because, unlike the other trips, on this route there is no need to repack your suitcase every day...

Day number 1:

Landing at the Tel Aviv airport, receiving our jeeps and driving to the hotel where we will stay for the next few days in the Sea of Galilee. The route will be through the Gilboa mountain range, where we will taste our first off-road driving on the route.

Note: depends on the time of landing and arrival in Israel

Day number 2:

We will start the morning with off-road driving that combines a hike towards a unique and special natural pool! After dipping in the pool, we will continue north to one of the most impressive waterfalls that Israel has to offer. At the end, we will return to the hotel for a special evening...

Day number 3:

We will start the morning with a visit to the "Triangle of the Borders" and a bath in Hamat Geder - a site where hot springs rich in minerals arise! After that, we will climb to the south of the Golan Heights and descend back towards the Sea of Galilee on an amazing scenic road that also includes off-road travel of course. We will return to our hotel for the night

Day number 4:

We will take a short drive north and climb a mountain range that offers a 360 degree view, also springs and of course... off-road driving! We will continue north and reach a spectacular observation point overlooking the Hula Valley and the Golan Heights. At the end we will return to our hotel for the last night

* In the summer season you can combine kayaking *

Day number 5:

We will say goodbye to the hotel and start driving south back towards the airport in Tel Aviv. As time permits (depending on the time of the flight of course) we will travel to our pleasure in Tel Aviv until we have to return to the airport for the check-in process for the flight back home.

Cost starting from 3070\$ per participant

From Sea to Sea – a 4 Day Experience

Route characteristics:

From the Mediterranean Sea to the Sea of Galilee is a route that crosses northern Israel from west to east. We will visit the Western Galilee, the Finger of the Galilee, the Hula Valley, the Golan Heights and of course we will also end up in the Sea of Galilee...

The route combines off-road driving and spectacular views of the unique landscapes of northern Israel.

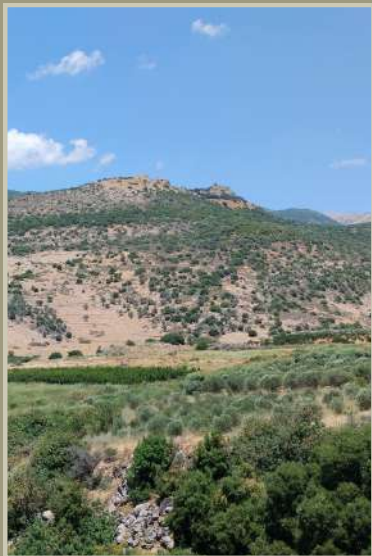

Day number 1:

We Land at Tel Aviv airport, receive our jeeps and head North. We will visit the caverns for as long as possible and stay overnight in the Western Galilee region.

Day number 3:

From the Galilee Panhandle ("Finger of the Galilee") we climb to the Golan Heights, to a lookout over the Nimrod Fortress that has an impressive view of the northern Golan Heights and Syria. We will continue offroad until we reach another lookout at the mounds in the area and from there we will take a short walking route to one of the most impressive waterfalls in the Golan Heights. If time allows, we will visit a local winery. Accommodation in the third day is in the Golan Heights region.

Day number 4:

From the Golan Heights, we will drive south through to an outlook over the Sea of Galilee. if time allows (depending on the returning flight time) we will visit the Church of "the Bread and the Fish", and from there we will head towards Tel Aviv. We will return the jeeps and say our goodbyes.

Day number 2:

We will start the morning with a visit to the Monfort Fortress, from there we will drive to the Keshet Cave and then go offroad in the Galilee region overlooking the Hula Valley. Accommodation for the second day is in the Upper Galilee region.

Cost: starting from 2550\$ per participant

From Mount Hermon to Gilboa in 5 Days

Cross Israel from Haifa to Eilat

Route characteristics:

It is impossible to see all of Israel in a two-week trip, but this trip certainly encompasses most of the areas: the coastal plain and Haifa, the Western Galilee, the Hula Valley, the Golan Heights, the Beit Shean Valley and the Jezreel Valley, the Jordan Valley and the Dead Sea, the Negev, the craters and Eilat, Mitzpe Ramon And the city of Tel Aviv!

A trip with lots of green landscapes in the north on the one hand, and Genesis landscapes in the desert on the other, a lot of off-road driving and at the same time also rest and relaxation.

Day number 1:

We land at the airport in Tel Aviv, receive our SUV and drive towards the city of Haifa. On the way we will have a first taste of off-road driving in the Carmel mountains and then we will go on a trip to the city of Haifa.

From there we will go to a hotel in the city where we will spend the next two nights.

Day number 2:

After breakfast we will drive north and visit the Rosh Hankara nature reserve, where we will go down to the grottoes with a cable car, listen to explanations and observe the splendor of the beauty of nature.

Later, we will go to a spectacular view of the entire Western Galilee region, part of which was off-road driving, of course, and then to one of the most intriguing caves in Israel (rappelling can be done by prior arrangement!).

Later we will return to Haifa for a short night trip and overnight at our hotel.

Day number 6:

We will spend this day in easy...

We will get up late, take a dip in the Sea of Galilee and walk in Kfar Nahum and the city of Tiberias and most of all rest! For what awaits us in the coming days.

Day number 3:

In the morning we will load our SUVs and drive east towards Mount Miron whose peak is the fourth highest in Israel - of course we will climb it off road...

From there we will continue towards the northeast for another off-road trip towards the Naftali mountains and we will look over the entire Hula Valley, which is amazingly beautiful.

After driving through the Hula valley and getting an impression of the height of the Naftali mountain range, this time from below, we will arrive at the hotel where we will spend the next two nights.

Day number 4:

We will start the day with a climb to the Golan Heights, where we will reach one of the peaks from which we can overlook the three peaks of Mount Hermon (Israeli, Lebanese and Syrian), and of course also the Kunitra valley.

We will continue to visit a local winery (optional) and on the way back to our hotel we will take a long off-road drive overlooking the Jordan River.

Day number 7:

We will start the full day that awaits us by traveling south and driving off-road in the Gilboa mountain range, from where we will overlook the Jezreel Valley.

From there we will continue to a spectacular view of the Gilead mountains and later to another view of the Dead Sea and then we will arrive at our hotel for the next two nights on the Dead Sea coast.

It is a long day with many hours of driving, but the spectacular views definitely make up for it!

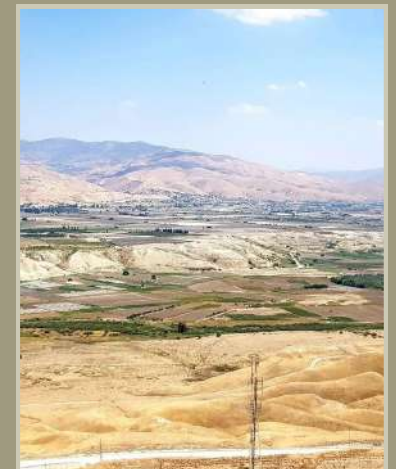

Day number 5:

After loading our equipment we will climb back to the Golan Heights, but this time we will go to the southern part.

We will travel along the off-road roads overlooking the Sea of Galilee and the border triangle (Israel, Syria and Jordan) until we reach the Hamat Gedar site (a site of healing baths located in the Yarmouch Valley, at an altitude of about 150 m below sea level. Four hot springs rich in minerals spring from the site. The hot water stem from an approximate depth of about 2 kilometers and more).

At the end we will drive to our hotel around the Sea of Galilee.

Cross Israel from Haifa to Eilat

Route characteristics:

It is impossible to see all of Israel in a two-week trip, but this trip certainly encompasses most of the areas: the coastal plain and Haifa, the Western Galilee, the Hula Valley, the Golan Heights, the Beit Shean Valley and the Jezreel Valley, the Jordan Valley and the Dead Sea, the Negev, the craters and Eilat, Mitzpe Ramon And the city of Tel Aviv!

A trip with lots of green landscapes in the north on the one hand, and Genesis landscapes in the desert on the other, a lot of off-road driving and at the same time also rest and relaxation.

Day number 8:

After breakfast we will go for an off-road trip in one of the streams in the area with views of Genesis, literally!!!

In the early afternoon we will return to the hotel and use the time to bathe in the Dead Sea and spa treatments at the hotel (not included in the package price).

Day number 9:

We will load our equipment and continue south for experiential sand dune surfing, and later after a long off-road drive we will reach one of the most spectacular viewpoints in southern Israel!

After that we will climb to the observation of the four countries (Israel, Egypt, Jordan and Saudi Arabia) and continue to drive off-road in an amazing stream to the resort city of Israel - Eilat.

We will spend the next two nights in Eilat.

Day number 13:

Tel Aviv - the non-stop city!

Today we will decide together what we want to do: the sea/pool, a trip to the malls, a trip to the markets, a tour of Old Jaffa or maybe combine several places together...

Day number 10:

We will spend the day enjoying the resort city of Israel!

In Eilat you can find water sports, air-conditioned shopping malls, the Red Sea beach, an underwater observatory and many other options for spending time.

Day number 14:

The last day of our trip has arrived...

Depending on the check-in opening time, we will take advantage of the last hours in Tel Aviv and then drive to the airport, return the vehicles that have served us faithfully, and say goodbye not before accompanying you at the beginning of the check-in process.

Day number 11:

We will say goodbye to the city of Eilat and start traveling north. We will travel in the Israeli desert and will arrive by challenging off-road driving at a viewpoint different in its characteristics from anything we have seen and known to date!

Later we will climb to Mitzpe Ramon and drive (off-road) on the cliff line of the Ramon Crater spread out below us in all its glory!

Accommodation in the Mitzpe Ramon area.

Day number 12:

Before we say goodbye to the southern region, another particularly challenging off-road drive awaits us to a hidden spring that flows throughout the year (in the summer you can definitely bathe in it).

After we get back on the road we will drive north to the city without stopping - Tel Aviv, where we will sleep the last two nights of this trip.

Cost from 6550\$ per participant

Route characteristics:

A route that is suitable for most seasons of the year in the Israeli climate and combines many sources of water for bathing together with spectacularly beautiful off-road routes. The track was built mainly for families with teenagers but can be suitable for any group. Here you can find rafting in the Jordan River, swimming in the Sea of Galilee, the Dead Sea, the Gulf of Eilat and even in the sea of Tel Aviv.

Day number 1:

We land at the airport in Tel Aviv, receive our SUV and drive towards the Sea of Galilee. On the way we will have a first taste of off-road driving in the Gilboa Mountains (depending on the time of landing in Israel) and then we will take a short trip to the city of Tiberias. from there to we will going to the hotel in the area where we will spend the next two nights.

Day number 2:

We will open the morning with a cross-country drive north along the Jordan River, and from there through the Golan Heights for a rafting cruise in the Hatzbani and Jordan rivers. (In the winter season we will go to the Hamat Gedar site, where the water temperature at the springs is 42 degrees Celsius throughout the year, the concentration of minerals is high and the sulfur at a concentration of 4.7%) Later we will return to bathing in the Sea of Galilee, of course on a beautiful off-road course and for the young among us and for those who have the strength, we will also provide SUP boats / kayaks for a calm sailing

Day number 3:

In the morning we will pack our equipment and get into our SUVs and start driving south. We will drive through an off road in the Gilboa mountain range (if we didn't make it on the first day) and from there through the Jordan Valley to a number of spectacular views of the Gilad mountains and later on the Dead Sea. In the afternoon we will arrive at our hotel for the next two nights on the Dead Sea coast

Day number 4:

We will start the morning with a slightly challenging off-road drive in one of the streams in the area that provides a spectacular Genesis view and in the afternoon we will return to our hotel to pamper ourselves with spa treatments (additional charge), bathing in the hotel pool and the Dead Sea of course

Day number 5:

After breakfast, we'll pack our things and head south for some challenging off-road routes. Among other things, we will surf the sand dunes provided by the Israeli desert, we will go to spectacular views of the Edom Mountains and the observation of the four countries. after driving in Shlomo stream we will arrive directly at the beach in Eilat. We will spend the next two days in Eilat.

Day number 6:

Today is a free day to explore the city of Eilat which is known as the "resort city of Israel". We can spend time on the shores of the Red Sea, swim in the sea, sail, dive and even do water sports such as a banana boat or parachute, etc. The city of Eilat is a VAT-exempt city, so if we want we can also buy souvenirs for the family members left behind at home....

Day number 7:

After we have rested and enjoyed in Eilat, we will begin to return north towards Mitzpe Ramon. On the way we will take an off road to a path that will lead us to the point which provides a spectacular view of the Middle Arava area and later we will reach the observation of the Ramon Crater. Accommodation in the Mitzpe Ramon area

Day number 8:

After learning to drive off-road in the last week, we will reach the highlight of the trip and drive to a natural spring that flows throughout the year in the middle of the desert with very challenging off-road driving! Of course we will bathe in the spring and then continue driving north towards the city without stopping - Tel Aviv. We will arrive in the city in the evening and sleep there our last two nights in Israel

Day number 9:

We will spend this day in Tel Aviv according to the nature and desire of the group: a tour of markets, shopping malls, history and antiquities or bathing in the sea... Of course, we will not miss the night life of the city with an emphasis on the young guys in the group

Day number 10:

After breakfast and depending on the flight time back home, we will use the hours we have left for some last shopping around the city and then we will drive to the airport, return the rented SUVs that have accompanied us during the last ten days and say goodbye to the check-in counters

Cost starting from 5100\$ per participant

Christian sites in High Gear

Route characteristics:

A trip that combines holy sites for Christians with off-road driving in an SUV. During the trip we will visit sites such as the Jordan River, Nazareth, the Dead Sea, Jerusalem and Mesada, along with some of the most beautiful scenic routes in Israel. The route is dynamic and several more days can be added and, accordingly, additional religious sites.

Day number 1:

We land at the airport in Tel Aviv, receive our SUV and drive towards the Sea of Galilee. On the way we will have a first taste of off-road driving in the Gilboa mountains and then we will go to "Har Simcha" where, according to the New Testament, Jesus delivered the "Sermon on the Mount". After visiting the site we will go to our hotel for dinner and overnight.

Day number 2:

We will open the morning with a cross-country drive along the Jordan River and those who want can even take a dip in the river. After that we will visit the Church of the "Bread and Fishes" where according to the New Testament Jesus was able to feed 5,000 people with five loaves of bread and two fish. After visiting the church we will go to the nearby "Capernaum" where according to the New Testament, Jesus established the center of his activity for a long time. We will visit the city of Tiberias, which according to the New Testament Jesus worked in the area north of the Sea of Galilee, therefore in Christianity the area is considered holy. Then we will return to the hotel for dinner and overnight

Day number 3:

In the first half of the day we will visit the "Triangle of the Borders" and bathe in "Hamat Geder" - a site where there are hot springs rich in minerals!. After that we will drive towards the city of Nazareth to visit the Church of the Gospel. Accommodation in the area

Day number 4:

We will start the day with a short tour of the "Jump Mountain", also called the Ancient Mountain. The origin of the name of the mountain is in the tradition that attributes to Jesus a jump from the mountain into the valley when he fled from those who sought his life. After that we will visit the "Spring of Mary" or the well of Mary, which according to one of the Christian traditions, the Virgin used to draw water from the spring where the angel Gabriel told her the news about the birth of Jesus. At the end we will drive towards "Mount Tabor", where according to the Christian tradition Jesus climbed with some of his disciples to the top of a high mountain, and talked there with Moses and the prophet Elijah, who told him about his imminent death. Accommodation in the area

Day number 5-6:

We will travel to the Holy City of Jerusalem where we will visit quite a few sites such as: the Church of the Sepulcher, Via Dolorosa, Mount Zion (on which the Room of the Last Supper is located), Gethsemane, Mary's Tomb and Golgotha and other sites as time permits. At the end of each day we will take the young people of the group (young at heart...) to discover the night life of the city. Accommodation in Jerusalem

Day number 7:

We will drive east towards the Qasr al-Yehud baptism site, where according to Christian tradition John baptized Jesus and his believers, and the baptism site is considered the third holiest in the Christian world. At the end, we will drive south to visit the "Masada" site, and then to our hotel in the area.

Day number 8:

We haven't driven off-road in a long time, so we will start the day by driving through the streams in the area, which are spectacular in their beauty and remind us of the Genesis landscape. After that we will return to our hotel, bathe in the Dead Sea and those who wish can purchase a pampering treatment package (not included in the price of the tour).

Day number 9:

On our last day, after breakfast we will start driving towards Tel Aviv and as time permits (depending on the departure time back home) we will walk around the city until we have to return to the airport, return the SUV and get ready for the flight home.

comments:

Please note - it is possible to extend the trip and go to the resort city of Eilat for several more days, please let us know when making the reservation so that we can book the accommodation in the hotels and the flights accordingly.

From Caverns to Craters in 9 Days

Route characteristics:

9-day route that combines the landscapes of the green north of Israel, together with the primordial landscapes of the Jordan Valley and the Negev. On this route we will pass through several areas and see the amazing and hidden corners of Israel.

Day number 1:

We Land at Tel Aviv airport, receive our jeeps and head North. We will visit the caverns for as long as possible and stay overnight in the Western Galilee region.

Day number 2:

We will start the morning with a visit to the Monfort Fortress, from there we will drive to the Keshet Cave and then go offroad in the Galilee region overlooking the Hula Valley. Accommodation for the second day is in the Upper Galilee region.

Day number 3:

From the Galilee Panhandle ("Finger of the Galilee") we climb to the Golan Heights, to a lookout over the Nimrod Fortress that has an impressive view of the northern Golan Heights and Syria. We will continue offroad until we reach another lookout at the mounds in the area and from there we will take a short walking route to one of the most impressive waterfalls in the Golan Heights. If time allows, we will visit a local winery. Accommodation in the third day is in the Golan Heights region.

Day number 4:

From the Golan Heights, we will drive south through to an outlook over the Sea of Galilee. We will visit the Church of "the Bread and the Fish" and bathe in the Sea of Galilee (as the weather and season permits). Accommodation for the fourth day is near the Sea of Galilee.

Day number 5:

From the Sea of Galilee we will head toward the Beit She'an Valley and from there to the Jezreel Valley. We will climb the Gilboa mountain range and through the terrain we will reach a spectacular viewpoint overlooking the entire valley. We will continue driving offroad towards the Jordan Valley and climb towards a nature reserve overlooking the Jordan Valley and Ramat Gilad. Accommodation for the fifth day is near the Dead Sea.

Day number 6:

We will bathe in the Dead Sea, then proceed to drive south for a spectacular view of the Dead Sea, visiting the Masada National Park. The sixth day accommodation will be near Masada.

Day number 7:

We will start the day with a long and challenging off road drive in the streams in the area. Following the trip we will continue to the "Arava Peace Road" on the border with Jordan and bathe in a hidden pool that is located nearby. Accommodation for the seventh day is in the Arava region includes an authentic dinner.

Day number 8:

We will leave the Arava area and drive off road through the Great Crater towards a spectacular view of the Ramon Crater. If time allows we will visit a natural pool that is full year round. For the eighth day we will sleep near the Craters.

Day number 9:

We will start traveling north towards Tel Aviv, return the jeeps and if possible (depending on the returning flight time) we will travel by train for a short trip in Tel Aviv. After that we will return to the airport and say our goodbyes.
